

Mrs. Deborah :

Mrs. Debby I think you were a great teacher and you teach really good that everyone understand. You are the reason I still dance because you are so loving and always happy making us laugh and having fun with Ballet.

I know that maybe we are going to be far away when I move but I will remember you and your kindness you gave to me. But we will keep being in touch and you can tell me how my freinds are and ofcourse I will send you postcards and pictures of my freinds in Kansas from Ballet. I will miss you alot in fact I think I will cry but you will always be in my heart and all your smites, hugs, kisses, kindness, love, happiness and your ballet skills you taught taught me.

I Love you
